Monthly social activities are coordinated by WPS volunteers who have been widowed. Social activities sponsored by WPS are intended for those who are current support group participants and still actively grieving. Our goal is that by attending social events, an important component to your grief journey, you begin to gain confidence in life as a single person and you expand your horizons beyond WPS. WPS holds to the view that once a person is dating or remarried, they are through their grief journey and therefore no longer need the support of social activity (primary) services of WPS.

Join this friendly group for an afternoon of fun and friendship. WPS encourages you to take this opportunity to make new friends who are going through the same loss you are, to help you through the grief process. This event is for those who have been widowed in the last two years or are actively attending support group meetings. **The two years is only a suggested time frame, please feel free to attend any or all of the events listed.**

September Social Support: Independent Social Opportunities

The following activities are being held independent of WPS programs. WPS encourages the maintenance of friendships gained through participation in our services. Please call or emails contacts listed below to RSVP and for further information. As a non-profit organization, your \$25.00 contribution to the newsletter renewal enables WPS to inform all current and past participants on all support and social opportunities and helps provide the newsletter to those who have
